BRIAN CHILDERS in  
*An Evening with*

**AN EVENING WITH DANNY KAYE**  
Starring Brian Childers

## Reviews

An outstanding performance by Brian Childers as Kaye. Childers seems tireless as he sings, dances and leaps about the stage, skillfully recreating Kaye's clownish personality, complete with flamboyant hand motions, zany physical actions and quick wit. He easily executes the crazy accents and impromptu gibberish, as well as the fast-paced lyrics for which Kaye was famous.

"Brian Childers, a silver-voiced dervish with an almost uncanny resemblance to Kaye. Childers renders a stellar turn..."

*~ Los Angeles Times*

Performer Brian Childers offers a dazzling turn as the legendary Broadway star which is eerily convincing, even to the slightest smirk. Childers channels a perfect mix of the sentimental, feel-good charisma that enchanted his audiences...

*~LA Weekly*

Brian Childers' physicality is so like Kaye's it's a see-it-to-believe-it experience. Childers can dive into gibberish and do accents like Sid Caesar; he gambols, pivots, yelps, frolics, leaps, squeaks, and giggles. He acts, too. He's a charmer. Enjoy Childers, whether leading the audience in singing Cab Calloway's "Minnie the Moocher," prancing through Fine's still - fine "Anatole of Paris" or drilling through "Tchaikovsky".
